Current law does not require that state-owned buildings, structures, facilities, or properties are given official names by law.

2001 Assembly Bill 480 requires that the official names of state-owned buildings, structures, facilities, or properties are the names given to them by law.

Assembly Amendment 1 establishes that the provisions of the bill do not apply to any building, structure, facility, or property under the jurisdiction of the Board of Regents of the University of Wisconsin System.

Assembly Amendment 1 was recommended by the Assembly Committee on Government Operations by a vote of Ayes, 4; Noes, 0, on February 20, 2002.
